All the data we hold is managed in accordance with The Data Protection Act (1998). We will not disclose any information supplied by you to any third party. We may wish to contact you with information about the charity. If you do not wish to receive any such information, please tick this box.

Gift Aid is a Government initiative enabling charities to reclaim the tax paid on your donation. I am a UK resident and have paid enough Income Tax and/or Capital Gains Tax at least equal to the tax that the charity reclaims on my donations in the appropriate tax year (currently 25p. for every £1.00 you give).

I wish the charity to treat all donations that I have made for the six years prior to this year, (but no earlier than 6/4/2001) and all donations I make in the future, until I notify you otherwise, as Gift Aid donations.
